

COMPLIANCE CONCERNS?

# TIME FOR CUSTOM COMPOUNDING TRAINING

## We're Your Source for Compliance-Focused Custom Compounding Training

Get the specialized compounding training and compliance know-how your pharmacy needs.

Request training tailored to your team & facility.

PCCA can help you evaluate your specific needs for customized programming for sterile and nonsterile compounding (USP 795, 797 and 800).

Our instructors will work with you to develop your custom agenda, to include:

- Board of Pharmacy rules and Joint Commission expectations for USP compliance
- FDA expectations as outlined in guidance documents, 483 observations and warning letters
- Your facility's current compounding SOPs
- Proper preparation of current formulations

***From there, we'll line up didactic training (at your facility or virtual) followed by hands-on training held onsite at your facility during day, evening or weekend shifts.***

Get started in 3 easy steps!

### 1. Discovery call.

### 2. Get your quote.

### 3. Schedule your training.
