

# PCCA Student Ambassador Program

*Do you have what it takes to join the next cohort?*

## What is the Student Ambassador Program?

The **PCCA Student Ambassador Program** was created to connect pharmacy school students to the world of compounding. This program **provides opportunities to engage with fellow pharmacy school students and professionals** in the industry, while spreading your love of compounding through various promotions.

## How does the program work?

Interested students who meet the qualifications may apply for entry into the annual program cohort. **Simply scan the QR code below to complete the brief interest form.**

Selected candidates are then asked to:

- ❑ Attend the virtual Ambassador Orientation call scheduled for your cohort.
- ❑ Follow PCCA and PCCA Student Education on Instagram, Facebook, LinkedIn and/or TikTok.
- ❑ Share the preapproved social media posts provided to you by PCCA Student Education to your own unique social media networks or distribute PCCA Student Education promotional material to classmates in person or online.
- ❑ Demonstrate a high standard of professionalism at all times.

## Ambassador Program Benefits

Student Ambassadors will develop skills and knowledge related to marketing and compounding, leadership skills that build their CV and connections with others in the compounding industry. When minimum requirements are met, this may include:
